

Singapore River Market

Enjoy a leisurely family day out or a romantic evening stroll with your partner, all to the tune of exceptional live music and entertainment, scrumptious eats and an eclectic shopping experience by the gorgeous Singapore Riverfront, at our local arts and heritage venue, The Arts House.

The Singapore River Market will host more than 70 stalls featuring unique local as well as international wares - artwork, home ware, clothing, accessories, home made food, and more - providing a wonderfully fresh alternative to the increasingly standard fare the big malls deliver. Shop either within the air conditioned comfort of The Arts House, or grab an ice pop and hop outdoors to enjoy a spot of shopping along the sunny, breezy riverfront.

Buy a box of homemade pineapple tarts, indulge in a couple of delectable durian puffs, or savour the wide selection of fine wines while browsing the myriad things on sale. Alternatively, step into one of the delectable eateries available within The Arts House, like Timbre, Restaurant 1827, and Viet Lang.

Or BYO - bring your own picnic blankets and baskets, that is - and catch the sun's rays out on the grassy lawn, while enjoying the live music and entertaining gifts of the buskers of the day.

Check it out on the following Saturdays and Sundays, from 10:00 a.m. to 10:00 p.m.
